

Application for Invitation
9th Advanced Accelerator Concepts Workshop
Hilton of Santa Fe
June 10-16, 2000

Name: (Last, First, Middle) _____

Organization: _____

Mailing Address: _____

City: _____ State: _____ Zip Code: _____ Country: _____

Phone Number: _____ Fax Number: _____

E-mail: _____

Professional Experience in Advanced Accelerators:

Working Groups of Interest: (please mark primary interest with "1" and secondary with "2")

___ WG1: Beam Physics at Very High Energy Densities

___ WG2: Laser-Plasma Acceleration Concepts

___ WG3: RF Structure Based Acceleration Concepts

___ WG4: Beam Generation, Monitoring, Conditioning, and Controls at High Frequency and Ultra-fast Time Scales

___ WG5: Electron Beam Driven Plasma and Structure Based Acceleration Concepts

___ WG6: Millimeter-Wave Sources

___ WG7: Exotic Acceleration Schemes

Complete and submit to: Jaime McDonald
(Fax) 505-667-8207
